

# Paradise Beach Cabana

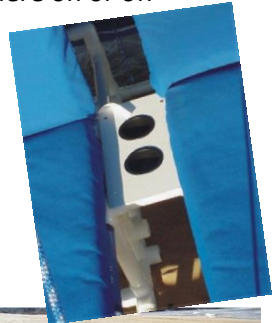

The Paradise Beach Cabana is constructed of the highest quality, U.V. Stabilized, poly vinyl chloride resin tubing. The cushion set and cabana folding canopy are made from U.V. stabilized, poly-olefin woven fabric . Custom colors and materials available upon request.

Optional detachable Wheel Kit makes it a breeze to move the cabana any where on or off the beach with very little effort.

This product is equipped with [WheelEEZ®](#) Balloon Wheels

Magazine Rack and Cup Holders Standard

The Paradise Beach Cabana's folding canopy offers an infinite number of positions for maximum sun exposure, shade when partially closed, or privacy and security when fully closed. The Cabana utilizes tension adjustable cushion supports and 5 position elevating backrests. The canopy rear window and side panels roll-up for ventilation. Cabana Dimensions: Overall length-92", Overall width-62", Cushion size-72"Lx23"W. Weight- 150lbs. Cabana is sold fully assembled or in an easy to complete "pre-assembled kit".
